

Kong Scoring in Mahjong Competition Rules

Tile backsides in a set signifies concealed kong/pung.

Our interpretation is that once you have scored for an element containing kongs, you can not score for further kong scoring elements, but you can score for concealed pungs. Scoring for All Pungs is not considered here.

1 kong

	1
	1 + 2
	1 + 16

	2
	2 + 2
	2 + 16
	2 + 64

2 kongs

	4
	4 + 2

	6
	6 + 2
	6 + 16

	8
	8 + 16
	8 + 64

3 kongs

	32 + 2
	32 + 2
	32 + 16
